Visitor Code of Conduct

For those visiting
Beechwood Cemetery

The following Code of Conduct for group visits has been devised for the safety of the groups themselves and the general cemetery visitors:

01 Beechwood Cemetery's Tour operates within a working Cemetery, respect for the privacy of those attending funerals or burials is essential.

- **As such, the tour route may be subject to change due to services.** Our guides will adjust tour routes to ensure grieving families have a private space to mourn.
- If the tour group comes across any visiting mourners at loved ones graves, **photography of the visiting families is not permitted**.
- Photography of the grounds is permitted. Visitors must not film tour guides without their consent.
- During the Cemetery Tour, it is essential that the group remains together and with the tour guide at all times and that all tour-goers comply with the safety instructions set out by the guide.
- Discourteous behaviour in any form is not permitted.
- During school trips, students must be supervised at all times by a teacher when in Beechwood Cemetery. Teachers must be clearly identifiable.
- All visitors are encouraged to wear appropriate clothing and footwear, particularly if the weather is likely to be inclement. A water bottle and bug spray are also recommended.
- All visitors are expected to comply with all Beechwood By-laws, accessible here: By-Laws and Licenses | Beechwood
