

**Beechwood, the National Cemetery of Canada was established in 1873 on 160 acres of land. Since its founding, there have been over 85,000 peoples buried at Beechwood, including many prominent and notables Canadians figures.**

In the 1990's Beechwood Cemetery Foundation established the Great Canadian Profile Plaque Program to educate our families and visitors on the history of those buried here. Beechwood Cemetery Foundation continues to add plaques each year.

This map identifies the location of all Great Canadian Profile Plaques, it also identifies the individuals associated with the Reconciling History Program (RHP).

The Great Canadian Profiles plaque program is possible thanks to our generous donors. Their gifts allow us to provide educational and historical programming and events, such our Annual Historical Tour, historical research and the free publication of the Beechwood Way.

The logo for Beechwood Cemetery. It features a stylized letter 'B' with a maple leaf design integrated into the top curve. To the right of the 'B', the word "BEECHWOOD" is written in a bold, serif font. Below "BEECHWOOD", the text "Funeral, Cemetery and Cremation Services" and "Services funéraires, cimetière et crémation" is written in a smaller, sans-serif font.  
  
A photograph of the Beechwood Cemetery grounds. It shows a modern architectural structure with large glass walls and a stone base, situated next to a pond with lily pads. The area is landscaped with various plants and trees, including a prominent weeping willow. In the background, a larger stone building with a gabled roof is visible under a clear blue sky.

**Beechwood, le Cimetière national du Canada, a été créé en 1873 sur 160 acres de terres. Depuis sa fondation, plus de 85 000 personnes ont été inhumées à Beechwood, dont de nombreuses personnalités canadiennes éminentes et remarquables.**

Dans les années 1990, la Fondation du cimetière Beechwood a établi le programme de plaques Portraits d'éminents Canadiens pour informer nos familles et nos visiteurs sur l'histoire de celles et de ceux qui sont enterrés ici. La Fondation du cimetière Beechwood continue d'ajouter des plaques chaque année.

Cette carte identifie l'emplacement de toutes les plaques Portraits d'éminents Canadiens, elle identifie également les personnes associées au programme Réconcilier l'histoire (PRH).

Le programme de plaques Portraits d'éminents Canadiens est rendu possible grâce à nos généreux donateurs. Leurs dons nous permettent d'offrir une programmation et des évènements éducatifs et historiques, comme notre Promenade historique annuelle, les recherches historiques et la publication gratuite de La Voie Beechwood.
