The National Military Cemetery

The National Military Cemetery is a national focal point of honour which recognises the men and women of Canada's Armed Forces who have served their country with distinction in war and in peace. As a national site of recognition, this cemetery is unique within Canada.

The mission of the NMC is to provide a dignified and serene place of rest for deceased eligible members and their families following the traditions and regulations of the Canadian Armed Forces.

The vision of the NMC is to preserve the important balance between the collective identity of the Canadian Military as an institution and the individual identities of the members who comprise it.

The collective identity is maintained by preserving historical traditions, uniformity of appearance, and equality of treatment regardless of rank or status. Individual identities are maintained by allowing a degree of personal expression on headstones, by maintaining a sense of natural beauty, and reserved solemnity that gives families peace to remember their loved ones for whom they once were.

Eligibility

ELIGIBILITY INCLUDES:

- Currently serving and honourably released Regular and Reserve Force members of The Canadian Forces
- Members honourably released from a former Canadian Service
- Canadian Veterans of the World Wars or Korean War, and the Canadian Merchant Navy

One family member may also be interred in the same plot as the service member. Verification of entitlement will be established in every case through the application process.

Interment in the NMC

Military burials are based on tradition and the carrying out of that tradition must always be done in a dignified and professional manner to ensure those we mourn are provided the honour and homage that they have earned.

APPLY

You must complete an [official DND application](#) to be approved by DND's Director of Casualty Support Management.

If you require any help with this application, please feel free to reach out to nmc@beechwoodottawa.ca

SPECIAL BURIAL SERVICES

If desired, a military presence can be made available at graveside service when conducted within Section 103. Subject to availability, the Honour Guard, Padre, Bugler or Piper can be provided at no charge.

SPECIAL COMMEMORATIVE SERVICES

To honour the memory of our Canadian service personnel, an urn or casket can be placed on the large, black granite plinth in the Hall of Colours, an area for the exclusive use of military members and veterans.

Through the Hall's beautiful memorial stained-glass window, donated by the Canadian Military Chaplains' Association, sunlight shines on the plinth and the laid-up Colours of Canada's Military Regiments. Families, colleagues and friends may visit the urn or casket prior to interment in the National Military Cemetery.

Beechwood can assist in all types of pre-arrangements or at time-of-need arrangements.
